[illegible]

Verwenden Sie nur

Original-KRONE-Ersatzteile!

Das gibt Sicherheit und spart Kosten!

Original-KRONE-Ersatzteile bieten die Garantie für höchste Verschleißfestigkeit, lange Lebensdauer und preiswerten Einkauf!

Sie bekommen bei Krone nur Materialien in einwandfreier Qualität und absolut passend für Ihre KRONE-Maschinen. Bei Verwendung von Original-KRONE-Ersatzteilen entspricht das Gerät in Funktion und Arbeitsweise wieder der ursprünglichen Ausführung!

Imitationen und Kopien von Teilen, speziell auf dem Sektor Verschleißteile halten nicht das, was sie vom Aussehen vielleicht versprechen. Material-Qualität kann man schlecht optisch prüfen - daher größte Vorsicht bei Billigangeboten!

**Darum lieber gleich
Original-KRONE-Ersatzteile!**

**Ersatzteil-Katalog auch
auf CD-ROM erhältlich!**

Use

Original-KRONE parts only

**This will increase operational reliability
and help to save costs!**

Original-KRONE-spares parts give you the guarantee of maximum resistance to wear, long life and low prices!

KRONE provides you with parts of first-rate quality which are perfectly suitable for your KRONE machine. By using original KRONE parts you can be sure that function and mode of operation are again as satisfactory as on a new machine!

Imitations and copies of parts, in particular working parts, are not as reliable as they seem to be! The quality of material can hardly be checked with the eye - it is therefore not advisable to purchase imitation parts even if these are cheaper.

**In any case it's better
to use original KRONE parts!**

**Spare parts list also
available as CD-ROM!**

N'utiliser que

**des pièces de rechange
d'origine KRONE!**

**Vous augmentez ainsi la sécurité de
fonctionnement et vous réduisez
considérablement vos coûts!**

Les pièces de rechange d'origine Krone vous donnent la sécurité d'une exceptionnelle résistance à l'usure, d'une longue durée d'utilisation et de prix avantageux.

KRONE vous offre uniquement des pièces de première qualité parfaitement adaptées à votre machine KRONE. En utilisant des pièces de rechange d'origine KRONE vous pouvez être sûr que fonctionnement et le mode de travail sont identiques à ceux d'une machine nouvelle.

Les imitations et copies de pièces, tout particulièrement des pièces d'usure, ne tiennent pas ce qu'elles promettent par leur apparence! En effet il n'est guère possible de vérifier visuellement la qualité d'une matière. Il est donc prudent de juger avec scepticisme les pièces de rechange à bas prix!

**De toute façon il est raisonnable de donner la préférence aux
pièces de rechange d'origine KRONE!**

**Catalogue de pièces de rechange
également disponible sur CD-ROM!**

KRONE

. . . konsequent, kompetent
